

HUDSON VALLEY WESTCHESTER HISPANIC LAW ENFORCEMENT ASSOCIATION ENDORSES MOLINARO

November 1, Poughkeepsie – The Westchester Hispanic Law Enforcement Federation (WHLEA) a non for profit organization announced today their endorsement of Marc Molinaro for Dutchess County Executive. With members throughout the Hudson Valley and Dutchess County, the organization was created to inspire and support leadership in the law enforcement community. “It is an honor to offer our official endorsement. We believe in Marc and the issues he stands for and in particular the work he has done in the Hispanic Community. We look forward to working together and wish him much success as County Executive,” said Sgt. Alex Rodriguez, President.

“I am very grateful for the support and endorsement of this organization. As a public servant I have always worked to foster a strong relationship with our law enforcement agencies and our Hispanic community. Our county has a very active and vibrant Hispanic community that works closely with our elected leaders to provide a better quality of life for its residents. If elected County Executive, I will continue to do all I can to work with our Hispanic community and law enforcement agencies to listen and be responsive to their needs,” Molinaro stated.

The Westchester Hispanic Law Enforcement Association was established in 1996 and consists of active and retired law enforcement officers from all over the Hudson Valley as well as members of State and Federal agencies.
