

STATE TROOPERS PBA ENDORSES MOLINARO

November 4, Albany –The Police Benevolent Association (PBA) of the New York State Troopers, Inc has endorsed Assemblyman Marc Molinaro in his bid for Dutchess County Executive, according to Daniel F. Sisto, the group's Second Vice-President.

The membership of the PBA of the New York State Troopers is made up exclusively of, both active and retired, uniformed officers of the New York State Police--from the rank of Trooper through the rank of Major. The PBA advocates for the rights of its more than 6,000 members; takes action in a variety of ways; and is the official voice of the membership.

“It is with careful consideration that the PBA is endorsing Marc Molinaro in the election for Dutchess County Executive,” Sisto said. “The challenges facing members of the law enforcement community are greater than ever before, and we need individuals like Marc Molinaro in leadership positions to help law enforcement officers better serve the residents of New York state.”

“I'm honored to accept the endorsement of the State Troopers PBA-- an organization that represents some of the finest uniformed men and women in law enforcement. Each, and every day, these brave officers put their lives on the line to protect us. Their service, much like their support will never be taken for granted by me” Molinaro said. “As Dutchess County Executive, I will continue to work cooperatively with the State Police and all those in the law enforcement community to ensure the public's continuing safety.”
