

County to Begin Paving Work on Salt Point Turnpike in Stanford Next Week

Poughkeepsie... The Dutchess County Department of Public Works Highway Division will begin paving work on County Route (CR) 17 – Salt Point Turnpike in the Town of Stanford next week starting Monday, July 9th, weather permitting. DPW employees will be repaving a 3 mile road section from NYS Route 82 to Hobbs Lane. This paving project is expected to be completed in approximately two weeks.

Motorists are advised there will be alternating one-lane traffic through the construction area from 7am to 5pm, so delays may be experienced.

The repaving project is part of Dutchess County's annual highway maintenance program. This year, the Department of Public Works Highway Division will work to improve nearly 20 miles of county-owned roadway.
