Statement from Dutchess County Executive Marcus J. Molinaro

A great time for a great fair!

“Celebrating the finest traditions of community – the Dutchess County Fair kicks off what is sure to be another exciting week. By harnessing our spirit of community, hosting world class entertainment, and showcasing a wide variety of vendors and culinary delights, the Dutchess County Fairgrounds is once again the place to be for residents and tourists alike. Hats off to the board, staff and volunteers who work tirelessly to bring together the complexities of a fair this large – a fair which has an enormous positive impact on our economy. Here’s to a week of fun and success as so many will pause to celebrate the agricultural heritage of our community, rich history of our county and very best of a proud Dutchess County. To neighbors and visitors – I will see you at the fair!”
